STEWARDING

To ensure the smooth running of the exhibition and for the safety and security of the work exhibited, it is essential we have two stewards on duty throughout the opening times. **All members who exhibit are required to volunteer for a period of stewarding during the course of the exhibition.** The stewarding periods are morning 10.30am-1.30pm; afternoon 1.30pm-4.30pm daily. Please give at least **two dates** when you are available, indicating a first choice if you have one, on the form enclosed. More alternatives are helpful. Separate stewarding notes covering duties, venue security and making a sale will be made available.
