

July 2018

NEWSLETTER

Hello Everyone

Although it's a scorching hot summer, we can soon look forward to the Club's winter programme which is now being organised for demonstrations and workshops, commencing with a Sketchbook competition on our **first meeting back at Riverside on 2nd October.**

In the meantime, our Summer outdoor programme continues at various venues on Tuesday mornings. It was nice to see some of you over the last 3 months. Please come along if you are able. There are still many to look forward to in August and September, and of course the lovely sociable Painters' Picnic at Sheat Corner Cottage on **31st July.**

It's nearly time for our **Autumn Exhibition at Quarr Abbey between 30th August and 4th September.** Our club always gets good feedback from visitors and we are hoping once again to show off our skills and publicise our club. Please see 4 forms on our website (for those of you without access the forms are enclosed.) The **last date for entries is Tuesday 21st August.** Email or post application forms to our Exhibition Manager Ian Wright in plenty of time. Set up by the hanging Committee (we should really think of a less sinister name for our volunteers!) is on 29th August and our **Preview evening is also on 29th August from 6.30pm.**

Please come along and guests are welcome. Anyone able to help publicise the exhibition, please let our Exhibition Manager, Ian Wright, know as soon as possible. Your council feels that it's still useful to put up posters around the Island, but social media should also be used by as many of us as possible, to get the word out quickly.

Talking of help needed, we are still looking for a Treasurer to take over from Linda Wright at the end of the year, so appeal to anyone with book-keeping skills to step forward.
