

Winter Term IWAC at the Riverside, Newport.

What to Bring - Workshops

At our weekly meetings on Tuesday afternoons 2pm-4pm during the winter we offer the following options.

Live Portrait

Draw or Paint from a live model. Some artists like to bring a lightweight easel others prefer to draw on to a board or hard back sketch book or pad of cartridge paper. You can bring acrylics, charcoal, pencils, pastels, palette, plastic water bucket, apron, paint brushes. Oils are not recommended due to their long drying time. Smart phone to take pictures if you wish.

Still Life

Materials as above.

Do your own thing

Materials as above. I-Pad with your own images as reference.

You can mix and match options as suits you.

Tea/Coffee is available at half way with an honesty box £1 a cup. There is also a tuck box in the foyer again with an honesty box so if you need chocolate mid afternoon feel free to indulge. Bring cash in small denominations.

No formal tuition is offered but if you need advice please ask a Council Member and one of our professional artists will gladly give you guidance.
